Special Order Cabinetry

Cabinets Express offers a line of special order cabinetry for the kitchen that needs a little something extra to suit your tastes and needs. The line features maple cabinets with various finishes and stains in all standard sizes. Highlights of our special order cabinetry include decorative moldings and glass doors, as well as many additional accessories. All doors feature a partial overlay, providing full access to the cabinet space within. Please allow two weeks from your order date for your cabinets to arrive at the Cabinets Express facility.
