

# Door Style Guide

## *Special Order Cabinetry*

Cabinets Express offers a line of special order cabinetry for the kitchen that needs a little something extra to suit your tastes and needs. The line features maple cabinets with cherry and mocha stains in all standard sizes. Highlights of our special order cabinetry include decorative moldings and glass doors, as well as many additional accessories. All doors feature a partial overlay, providing full access to the cabinet space within. All cabinet drawers include undermount full extension glides to allow full utilization of the drawer space. Please allow two weeks from your order date for your cabinets to arrive at the Cabinets Express facility.
