Many people are making their bathrooms by selecting a beautiful countertop. Granite has been the choice of builders and homeowners because every slab is unique and requires minimal maintenance. By its nature, granite is extremely durable which means it repels stains and is heat resistant unlike other man-made materials.

One Year Warranty

If the product develops a manufacturing defect within the one-year period, it will be repaired or replaced with a countertop of equal value and similar (if not the same) appearance at our option, provided that:

- 1) The owner must provide proof and date of purchase.
- 2) The installed granite product has not been removed from the location of initial installation so it may be evaluated.

This Limited Warranty does not cover if product shows evidence that it has been misused, abused, or altered, including chemical abuse (i.e., oil stains) and physical abuse (i.e. excessive chipped edges or scratches), or natural attributes of granite such as fissures and pits.

1 year Limited Warranty coverage is your assurance of lasting quality. If we can answer further questions regarding this warranty, please contact Cabinet Express. Please note that we may substitute a product of equal and similar appearance on both in-warranty and out-of-warranty repairs and replacements.
